EASTSIDE ATHLETIC CAMPUS AT EAST HIGH

A COMMUNITY PROJECT

BUY A BRICK PAVER TODAY!

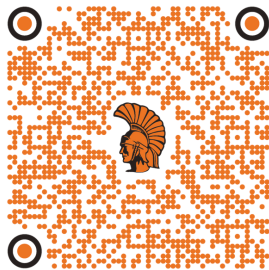

BRICK/PAVER OPPORTUNITY

OUR MISSION

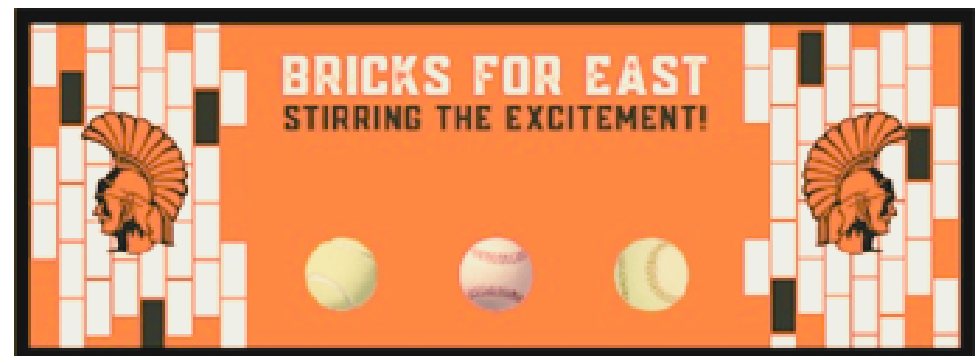

Rise up as a community and complete an athletic campus that serves the needs of our future, our youth and the students of the Waterloo Community School District, the Northeast side of Waterloo, and provide a safe, well-programmed facility that can be shared and enjoyed with the entire community.

EASTSIDE ATHLETIC CAMPUS

New state-of-the-art facility to include renovations of concessions, storage facilities, bathrooms, and locker rooms for softball and baseball. It also features a realigned baseball field for central plaza programming, foul ball netting, and improved dugouts for softball. Additionally, there is a newly added addition of pickleball, basketball, and tennis courts!

We invite you to come and be a part of the East High Athletic Campus by purchasing a personalized, commemorative brick to honor a friend, your memories of attending East High, a special teacher, a special administrator, or a club. Your brick will become a permanent part of the facility and will be a tribute to those who you choose to honor or maybe as well as yourself! Purchasing a brick is an easy way to leave a lasting memory on our Athletic Campus at East High.
